About This Game

Strategists to the frontline!

The HD remake of the Nintendo DS classic.

The year is 1939 and the world is on the brink of one of the largest military conflicts in the history of mankind: World War II!

Experience history first-hand and join the Soviet Red Army, the German Wehrmacht and the Western Allies. Fight your way to Stalingrad, push back the Germans and help the Allies liberate Europe - you'll be fighting on all sides of the war.

With over 150 units and 30 officers you'll have extensive tactical possibilities at your disposal. Environmental factors like terrain, weather or seasons offer new and ever changing challenges. No one game is like the other.

Tactical mistakes are mercilessly exploited and punished! Plunging the world into war is easy - liberating it is the true challenge!

Are you the strategist that the world has been waiting for?

Features:

-
- **Three exciting single-player campaigns** on the side of either the German army, the Soviet army or the army of the Western Allies
 - **More than 30 exhilarating historical missions**, including covert operations behind enemy lines
 - **Over 150 different units**, be it at sea, on land or in the air
 - **Gripping tactical battles:** Turn-based battles with plenty of depth!
 - **Over 30 heroic officers** that help motivate their units
 - **Use the different terrain**, weather and seasons to your advantage!
 - **Challenging combat:** Every move needs to be well thought out and can be the deciding factor between victory or defeat.
 - **High replay value:** Engage in thrilling combat in scenarios against the AI.
